Appendix A	Glossary and definitions
The 'normal' admissions	The period during which parents are invited to express a minimum of
round	three preferences for a place at any state-funded school, in rank order on
	the common application form provided by their home local authority.
	This period usually follows publication of the local authority composite
	prospectus on 12 September, with the deadlines for parental applications
	of 31 October (for secondary places) and 15 January (for primary places),
	and subsequent offers made to parents on National Offer Day
In-year admission	A school admission application submitted in connection with a place
application	required at any time during the academic year. In most cases and where
	the local authority has chosen not to coordinate in-year applications, the
	application form will be submitted directly to the school concerned.
Home Local Authority	A child's home local authority is the local authority in whose area the
	child resides.
Maintaining Local Authority	The area in which a school is located is referred to as the maintaining
	local authority.
Admission Authority	The body responsible for setting and applying a school's admission
-	arrangements. For community or voluntary controlled schools, this body
	is the local authority unless it has agreed to delegate responsibility to the
	governing body. For foundation or voluntary aided schools, this body is
	the governing body of the school. For Academies, this body is the
	Academy Trust.
Admission Arrangements	The overall procedure, practices and oversubscription criteria used in
	deciding the allocation of school places including any device or means
	used to determine whether a school place is to be offered.
Published Admission	The number of school places that the admission authority must offer in
Number – (PAN)	each relevant age group of a school for which it is the admission
	authority. Admission numbers are part of a school's admission
	arrangements.
Admission Limit	A non statutory limit applying to year groups other than the year(s) of
	entry which indicates the number of places to be offered, usually
	determined according to the level of resource available
Common Application Form	The form parents complete, listing their preferred choices of schools, and
(CAF)	then submit to local authorities when applying for a school place for their
	child as part of the local co-ordination scheme, during the normal
	admissions round. Parents must be allowed to express a preference for a
	minimum of three schools on the relevant common application form as
	determined by their local authority. Local authorities may allow parents
	to express a higher number of preferences if they wish.
Composite prospectus	The prospectus that a local authority is required to publish by 12
	September in the offer year. This prospectus must include detailed
	admission arrangements of all maintained schools in the area (including
	admission numbers and catchment areas).
Co-ordinated Scheme	All local authorities are required to co-ordinate the normal admissions
	round for primary and secondary schools in their area. Schools can take
	in-year applications directly from parents, provided they notify their local
	authority of each application and its outcome. Each Local Authority must
	produce and publish a Coordinated Admissions Scheme
Infant Class Size Limit	Section 1 of the SSFA 1998 limits the size of an infant class (i.e. a class in
	which the majority of children will reach the age of five, six or seven
	during the school year) to 30 pupils per school teacher.

	The School Admissions (Infant Class Sizes) (England) Regulations 2012
	permit children to be admitted as exceptions to the infant class size limit.
	These are set out in paragraph 2.15.
National Offer Day	The day each year on which local authorities are required to send the
	offer of a school place to all parents of secondary age pupils in their area.
	For primary pupils, offers are sent out on or about <u>16 April</u> (secondary on
	or about 1 March). The specific date will be published in the home local
	authority Composite Prospectus.
Offer Year	The school year immediately preceding the school year in which pupils
	are to be admitted to schools under the admission arrangements in
	question. This is the school year in which the offers of school places are
	communicated.
Oversubscription Criteria	This refers to the published criteria that an admission authority applies
	when a school has more applications than places available in order to
	decide which children will be allocated a place.
Reception Class	Defined by Section 142 of the SSFA 1998 as a class in which education is
	provided which is suitable for children aged five and any children who are
	under or over five years old whom it is expedient to educate with pupils
	of that age.
Relevant Age Group	The age group to which children are normally admitted. Each relevant
	age group must have admission arrangements, including an admission
	number. Some schools (for example schools with sixth forms which admit
	children into the sixth form) may have more than one relevant age group.
School Year	The period beginning with the first school term to begin after July and
	ending with the beginning of the first such term to begin after the
	following July, as defined by Section 579 of the Education Act 1996.
